PROJECTS

Gender Studies and War Challenges in Resilience of Universities in Ukraine: Networking for Excellence in Teaching and Institutional Development

[01/01/2023 – Current]

The aim for the project is to support the Ukraine academic networks of scholars on-site and in exile, developing a sustainable platform of teaching and learning materials for gender studies and incorporating the digital internationalization at home into an academic framework as well as support Universities' development in terms of gender equality policy (supported by Swedish Institute). Participants: European Humanities University, Lund University, Ilia State University, T.Shevchenko National University of Kyiv, V.N.Karazin Kharkiv National University.

Position - Project administration from Karazin University.

Students' Personalised Learning Model, Based on the Virtual Learning Environment of Intellectual Tutoring "Learning with No Limits" (SMART-PL; ERASMUS Lump Sum Grants)

[01/01/2023 – Current]

SMART-PL is a project, focused on intellectual tutoring that is a set of learning tools: SMART online platform for virtual personalised learning and formative student assessment; co-working centre with equipment for organising hybrid learning, which increases the educational process's efficiency and gives both teachers and students more opportunities. ERASMUS Lump Sum Grants, Project ID - 101082928.

Position - Project coordinator at the School of Sociology, Karazin University.

Research Project "Gender Education for Foreign Students" (with NGO "La Strada-Ukraine" in cooperation with V.N. Karazin Kharkiv National University, supervised by the Government Commissioner for Gender Policy), UNESCO

[01/02/2023 – Current]

The inclusion of the principle of gender equality in the system of higher education of Ukraine is an urgent task, as the obvious problems of gender discrimination include, in particular, the problems of gender aspects of interaction between university teachers and foreign students. The project will be implemented by the NGO "La Strada-Ukraine" in cooperation with Karazin University, supervised by the Government Commissioner for Gender Policy, aiming to introduce gender approaches to the training of foreign students studying in Ukraine.

Position: responsible for sociological survey; workshops, trainings; online educational course for students.

Fostering the Urban food System transformation through Innovative Living Labs Implementation (FUSILLI)

[31/12/2020 – Current]

FUSILLI is a Food and Natural Resources project funded by the European Union's Horizon 2020 Research and Innovation Programme under Grant Agreement No.101000717. Over a duration of four years, FUSILLI will focus on supporting cities to facilitate their transition towards more sustainable food systems, in line with the FOOD2030 priorities. To achieve this goal, the FUSILLI project combines the expertise of 34 partners from 13 countries, including cities, universities, SMEs, NGOs, and industries (2020-2024)

Position: Project Manager

Link: <https://fusilli-project.eu/>
